

# Set the Table!

Wish it were easier, cheaper, and safer to get around?

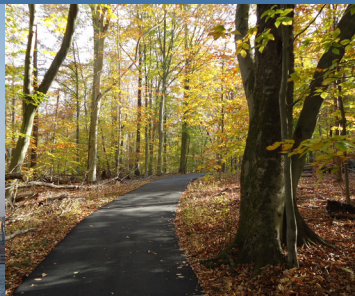

Want to get involved locally, but aren't sure how?

Do you know YOU have a say in how federal transportation funds are spent?

Host a dinner party with your friends! Discuss what's most important to you about life in our region. Rutgers seeks people aged 18-29 to participate. The input we receive will help make decisions on how federal transportation money gets spent. And hey, we'll even pay for the food!

Visit [vtc.rutgers.edu/SettheTable](http://vtc.rutgers.edu/SettheTable) for more info and to apply.

Set the course. Set the future. Set the table!
