Dear Ms. Alexander,

I would like to send my sincere gratitude to you and Larry Lindstrom for such a positive and life impacting experience you have given to my son Alex. As you know, my son has completed his travel training with Larry recently and Alex is able to take two buses to come home from a hospital where he volunteers. It would not have been possible without your program and the exceptional travel trainer Alex was very fortunate to have worked with.

Larry is very professional, caring and compassionate and both Alex and I appreciated his services.

Thank you.

Sincerely,

Gloria Oh
